

# Distribution Report

## Monthly Report

March 2016

Work is starting to pick up. We finished installing 520 ft. of twelve inch main at the airport, finished Lowe park main install up to Irish dr. We still have to tie the ends together after all testing is complete. We also replaced two more Waterous hydrants one at 1461 East Post Rd. the other at 2501 14<sup>th</sup> Ave. and we sawed leak holes.

In addition we also did

Fixed water leaks:

- 1690 Park Ave
- English Blvd & Douglas Ct

Hydrant maintenance: 1

Service taps: 6

Measure curb boxes: 8

Hydrants loaded out: 14
