Monthly Report

August 2016

August was busy on our tenth ave main project. The water main was filled and flushed all samples passed and all but one service has been tied to the new main. We received and unloaded 60 Mueller fire hydrants at last year's price which was \$2641.33 per hydrant. The pit inside the elevated tower at plant #3 was filled in and a floor poured over half of the floor inside of the tank.

In addition we also did the following

Repaired valve boxes: 2

Hydrant maintenance: 6

Hydrants turned: 6

Service taps: 33

Measure new curb boxes: 33

Hydrants loaded out: 5
