

Distribution Report

Monthly Report

August 2018

We finished our part of the 13th St main project except for yard work that will start this fall. Quality Excavating also finished the first phase of the 8th Ave water service tie over to the 12" water main.

In addition we also did the following:

Fixed water leak

- 18th St & English Blvd

Repaired valve boxes: 5

Hydrant maintenance: 5

Hydrants turned: 1

Service tapes: 43

Measure new curb boxes: 43

Hydrants loaded out: 2
