

Distribution Report

Monthly Report

October 2018

We ran a 2 inch plastic gas line to the pole building where we are going to keep our new dump truck. We also did more finish grading at well # 10. We installed a new hydrant at 5960 Kacena Ave.

In addition we also did the following

Fixed water leaks

- 1905 Valley View Dr.
- 5960 Kacena Ave

Repaired valve boxes: 7

Hydrants turned: 8

Measure curb boxes: 16

Hydrants loaded out: 1
