Monthly Report

July 2014

July started with storm cleanup at are shop where we lost several trees. We finished 14th St. main project. Started and finished the splash pad project at Gill Park which included laying 120 ft. of 4" sewer line, making a 2" tap and installing 60 ft. of 2" water line. Finished taps in Bowman Meadows 3rd made two 2 inch taps for the new Marion Iron Co. Removed one broken valve at McGowan Blvd and 10th Street and replaced a broken valve at Brockman and 10th Street. Sawed streets for three valve boxes that were broke off that we dug up and replaced. Started Orchard Rd. main project. Dig trench at Lindale tower to pit for new electrical conduit that sheered of at tank footing. Remove dead trees at 35th Avenue tank, haul meter brass to Marion Iron Company, clean trees/brush from around rental house, mow, and did vehicle maintenance. We loaded out four hydrants and received our sixty new hydrants.

In addition we also did the following

Repair valve boxes: 4

Hydrants turned: 2

Service taps: 16

Measure new curb boxes: 74

Locates: 72
