Monthly Report

January 2015

Brian and Dave are staying busy with the meter change out program we've been staying busy maintaining the temporary leak patches in the streets, fixing leaks, cleanup of equipment, vehicle maintenance, and helping Joe Kruser of Quality Excavating with a frozen service line at 208 7th Ave. Staff also transferred as built maps from the 2014 developments to our hand drawn map copies.

In addition we also did the following

Fixed water leaks

- 855 Lindale Dr.
- 15th stand 2nd Ave.
- 600 8th Ave.
- 1835 Country Club Dr.
- South 14th St and D Ave.

Hydrants loaded out: 2
