## Monthly Report

March 2015

The month of March let us get outside to work at disconnecting four water services on property that was from a city job or from the city purchasing houses that were torn down. They were at 940 5<sup>th</sup> Ave, 1144 5<sup>th</sup> Ave, and two services going into the old EIC property at 5<sup>th</sup> Ave and 22<sup>nd</sup> St. we also cemented the street holes back from the service disconnects. We dug up one hydrant at 1399 13<sup>th</sup> St. replaced the broken valve and then reset the hydrant back in place and also cemented the street back. Ten meters were also changed out by Brian and Dave.

In addition we also did the following
