

Distribution Report

Monthly Report

May 2015

May kept us busy doing odd jobs. We replaced a yard hydrant at Lowe Park. We did taps in Country Club Estates tenth add. We spotted utilities on 10th Ave. Dug up and replaced a broken eight inch valve. We removed the altitude valve and two ten inch valves.

In addition we also did the following

Service taps: 28

Hydrant maintenance: 1

Repair valve boxes: 2

Measure new curb boxes: 32

Locates: 86

Hydrants loaded out: 1
