Agenda Topic #2: Potential Property Acquisitions		
Notes: Hockett updated the Commission on two potential property acquisitions. The first being 526 13th Street which is the property located adjacent to the City Hall parking lot. Hockett indicated that the current owner approached the city about acquiring the property. The second property is located at 525 11th Street adjacent to the Public Library Parking lot and another lot currently owned by the City. Hull indicated that this is a very early brick home in Marion and would like to see it saved. Hockett indicated that it is not within any National Historic District so review by the Commission is not required should the city seek to demolish or move the structure.		
Action Items: Commission would like a letter drafted to the City Council expressing the desire to retain the structure as its part of the brick house fabric through the community		Hockett indicated a letter would be drafted for signature by the next HPC meeting.
