Monthly Report

April 2016

April was very busy for us. We dug up the four inch water line to the old police station and disconnected it then poured cement back for the patch. Shut water off to fix the 1½" service line to Peg Pierce softball fields that the tapping saddle was eaten up. Tied the eight inch water line in Lowe park together at Irish Dr. Installed blow off at 1530 12th St. to flush roughly 400 Ft. of four inch pipe. Replaced Waterous hydrant at 4480 Mission Ave. We also did our spring yard work.

In addition we also did the following

Leak hole repair: 1

Yard work repaired: 20

Hydrant maintenance: 3

Hydrants turned: 3

Service taps: 31

Measure new curb boxes: 31

Locates: 54

Hydrants loaded out: 7
