

176.06 RULES AND DEFINITIONS. In the interpretation of this chapter, the rules and definitions contained in this section shall be observed and applied. In the construction of this chapter, the rules as set forth in Chapter 4 of the Code of Iowa, Construction of Statutes, shall be observed. In addition, the word “Commission” means the Planning and Zoning Commission of the City, the word “lot” includes the words “plot,” “parcel” and “tract,” and the words “used or occupied” include the words “intended, arranged or designed to be used or occupied.”

Certain terms in this chapter define a category of uses, to allow some flexibility and in order to eliminate overly detailed lists of uses. These terms are referred to in this ordinance as general uses, and are indicated by including (G) in the definition.

Requirements for parking and loading or other provisions of this ordinance may apply differently to individual uses within a general use category. A change from one use within a general use category to another use shall be considered a change in use, even if the latter use is within the same general use category as the initial use.

The following words are defined for use in this chapter:

General Land Use Definitions

108. **Police Firearms Training Range.** A firearms range used exclusively for training and practice by law enforcement personnel.

109. **Private Garage.** An accessory building, or an accessory portion of the principal building, which is intended and used for storing the private passenger vehicles of the family or families residing upon the premises.

110. **Professional Training Center.** A training center with classrooms, administrative offices, food preparation and service, residential accommodations for trainees, and recreational facilities.

111. **Post Office.** A facility with service windows for mailing packages and letters, post office boxes, postal service offices, postal vehicle storage areas and sorting and distribution facilities for mail.

112. **Public Plaza.** Pedestrian oriented open space owned and maintained by a public agency for the use and enjoyment of the general public, commonly hardscaped.

113. **Public Service Facility.** A facility owned and operated by a governmental entity used to provide a public safety or public service, including but not limited to police and fire stations, public works facilities for road or utility maintenance, vehicle maintenance garages, workshops, storage, offices, communications and dispatch, school bus maintenance and storage, and park maintenance facilities.

114. **Recycling Facility.** A facility where newspapers, magazines, books and other paper products, glass, metal cans and other products are received, sorted, reprocessed and/or treated as part of a process to return such products to a condition in which they may be used again as a raw material in finished products. This use does not include a junkyard as defined herein.

115. **Research and Development Use (G).** Facilities for laboratory research in scientific, medical or technology intensive fields such as biotechnology, pharmaceuticals, genetics, plastics, polymers, resins, coatings, fibers, fabrics, films, heat transfer and radiation research, but not facilities for the manufacture or sale of products, except as incidental to the main purpose of the laboratory or research facility.

116. **Restaurant (G).** An establishment in which the primary activity is prepared food service, provided for consumption on the premises or for carry-out. Live entertainment is permitted as an accessory use within completely enclosed areas; and outdoor dining, including service to patrons seated outdoors, is permitted as an accessory use on the premises. This use is distinct from a Tavern/Bar where the primary purpose is the sale of alcoholic beverages, or snack bars or refreshment stands that are accessory to recreational or amusement facilities. For restaurants with drive-through windows, see Drive-Through Facility; for restaurants with outdoor live entertainment, see Outdoor Entertainment. A small-scale brewery serving food can be included in the definition of a restaurant.

117. **Restaurant, Carry-Out Only.** A restaurant establishment in which the primary activity is prepared food service provided for carry-out or delivery only, and no food is consumed on the premises.

118. **Restaurant, Drive-In.** A restaurant in which food is served directly to customers in motor vehicles for consumption of the premises.

119. **Restaurant, Drive-Thru.** A facility or part thereof that provides goods or services to patrons while they remain in a motor vehicle for consumption off the premises.

120. **Retail Sales, Large (G).** An establishment over 30,000 square feet where the primary purpose is the sale of physical goods, products or merchandise directly to the consumer. This use includes, but is not limited to, stores that sell groceries, hardware, clothing, auto parts, electronics, appliances, jewelry, antiques and shoes. This use also includes, Electronics Superstores, and Furniture Stores and Grocery Stores. This use does not include Heavy Retail and Service, Home Improvement Center, Pawn Shops, or Sexually Oriented Business as defined by Chapter 127, herein.

121. **Retail Sales, Medium (G).** An establishment between 10,000 and 30,000 square feet where the primary purpose is the sale of physical goods, products or merchandise directly to the consumer. This use includes, but is not limited to, stores that sell groceries, hardware, clothing, auto parts, electronics, appliances, jewelry, antiques and shoes. This use does not include Heavy Retail and Service, Home Improvement Center, Pawn Shops, or Sexually Oriented Business as defined by Chapter 127, herein.

122. **Retail Sales, Small (G).** An establishment between 5,000 and 10,000 square feet where the primary purpose is the sale of physical goods, products or merchandise directly to the consumer. This use includes, but is not limited to, stores that sell groceries, hardware, clothing, auto parts, electronics, appliances, jewelry, antiques and shoes. This use also includes, Neighborhood Grocery Stores, Specialty Retail Stores. This use does not include Heavy Retail and Service, Home Improvement Center, Pawn Shops, or Sexually Oriented Business as defined by Chapter 127.

123. **Retail Sales, Specialty (G).** Retail operations that specialize in one type or line of merchandise. Specialty Retail Sales establishments include stores that sell food items prepared on site, including but not limited to chocolate, ice cream, candy, bakery items and popcorn.

124. **Sexually Oriented Business.** An adult arcade, adult bookstore or adult video store, adult cabaret, adult motion picture theater, adult theater, escort agency, nude model studio or sexual encounter services, or experiences appropriate only for adults by reason of an emphasis on “specified sexual activities” or “specified anatomical areas” as defined in Chapter 127 of this Code of Ordinances.

125. **Schools, Primary or Secondary.** Public, private or parochial institutions primarily engaged in academic instruction for all, or part of, grades Kindergarten through 12th, and recognized or approved by the State of Iowa. This use may include accessory day care centers for children over the age of three (3).

126. **School, Private Boarding.** An elementary, junior high or high school that provides lodging for students on the same property.

127. **School, Specialized Instructional (G).** A private for-profit or non-profit establishment where the primary business is providing specialized instruction not necessarily limited by age, such as, but not limited to, driving, trade, specialized academic, vocational, art, music and dance schools.

128. **Tattoo Parlor/Body Piercing Studio.** An establishment whose principal business activity, either in terms of operation or as held out to the public, is the practice of (1) placing of designs, letters, figures, symbols or other marks upon or under the skin of any person, using ink or other substances, which result in the permanent coloration of the skin by means of the use of needles or other instruments designed to contact or puncture the skin (2) creation of an opening in the body of a person for the purpose of inserting jewelry or other decoration.

129. **Tavern/Bar.** An establishment primarily engaged in serving alcoholic liquor for consumption on the premises. This use may also include accessory sale of prepared food. Live entertainment is permitted as an accessory use in completely enclosed areas. This use does not include Outdoor Dining, unless permitted as a Special Use.

130. **Theater.** An indoor establishment where live performances, motion pictures, or other recorded media are offered for public viewing, where admission is charged. This use does not include any Sexually Oriented Business, as defined herein.

131. **Transportation Operations Facility.** A facility which may include outdoor facilities and buildings, where buses, trains, taxicabs or other delivery vehicles are stored and/or dispatched, where loading and unloading of passengers and freight may be carried on regularly. This use is distinct from a Public Service Facility, as defined herein.

132. **Utility, Community/Regional.** Infrastructure services that serve a larger area than those defined herein as Utility, Local and which may have employees normally present at the site. This includes electrical substations, telephone equipment buildings, cable television head-end facilities, above-ground natural gas transmission facilities, municipal wastewater treatment facilities, water supply treatment facilities, and similar large-scale utility equipment and buildings.

133. **Utility, Local.** Infrastructure services that need to be located in the area where the service is provided, and which generally do not have employees at the site. This includes overhead electric and communications lines and poles; electric utility towers; electric transformers and switchgear; traffic signals and controllers; street lighting; wastewater lift stations; fire hydrants and standpipes; water supply wells, reservoirs and towers; storm water drainage and underground gas, electrical, telephone, communications, water distribution, wastewater collection, and drainage facilities. This use does not include the facilities included under Utility, Community/Regional as defined herein.

134. **Veterinary Office/Animal Hospital.** Any building, or portion thereof, designed or used for veterinary examination, observation and treatment of domestic animals, and may include euthanasia of domestic animals. This use does not include Kennels or any keeping of animals out of doors, except that one animal at a time may be taken out of doors by one or more employees of the Veterinary Office/Animal Hospital; see also Kennels and Horse Stables, Private.

135. **Warehouse/Distribution.** This use includes structures or areas, or a portion thereof, used principally for the storage or distribution of goods and merchandise to retailers, non-residential users, or to other wholesalers. This use shall not include Manufacturing, Light/Assembly, as defined herein.

General Zoning Definitions

136. **Abut or Abutting.** Having a common lot line, zoning district boundary line, or other boundary, not separated by a street or alley.

137. **Accessory Building.** A building that is subordinate in area, extent and purpose to the principal use and building on the lot and that is customarily used or occupied for a permitted accessory use. Examples of accessory buildings include private garages and storage buildings.

138. **Accessory Structure.** A structure that is subordinate in area, extent and purpose to the principal use and building on the lot and that is customarily used for a permitted accessory use. Examples of accessory structures include signs, fences, and decks.

139. **Addition or Expansion.** Any of the following:

- A. An increase in floor area of a building
- B. A modification to the roof line of a building, such as the construction of a dormer that increases the amount of floor space devoted to human use or occupancy
- C. The reconstruction of a building or structure which is not accompanied by a change in the use of a lot

140. **Advertising Bench.** Any bench or bench-like structure that is used, in whole or in part, for advertising purposes by means of a message or design painted on, printed on, affixed to, or otherwise designed as, an integral part of the bench.

141. **Alley.** A public right-of-way, normally 20 feet or less in width, that affords a secondary means of access to abutting properties.

142. **Alteration.** Any physical change to the exterior surface of a building or part thereof, including but not limited to renovation, rehabilitation, reconstruction, restoration, or replacement, or any change that affects the interior configuration of walls, spaces, or bulk of a building or structure.

143. **Architectural Feature.** A visually apparent feature of a building or structure that contributes to its aesthetics, including but not limited to cornices, eaves, gutters, belt courses, lintels, sills, archways, windows, doors, chimneys, columns, pilasters, and decorative ornaments.

144. **Arterial or Collector Street.** A street that is designated in the Marion Comprehensive Plan and Marion Major Streets Right-of-Way Guide as an existing or future strategic major arterial, minor arterial or collector street.

145. **Attention-getting Device.** Any flag, streamer, pennant, light, balloon, fringe, or similar device or ornamentation used primarily for the purpose of attracting attention for promotion or advertising a business or other use, which is visible by the general public from any public right of way.

146. **Automobile Franchise.** The right to sell a particular make of motor vehicle held by any person, firm or corporation owning or demising any portion of the land within an Auto Mall, as defined herein, irrespective of whether a particular manufacturer has multiple makes or brands. By way of example only, a corporation authorized to sell Pat McGrath manufactured Jeep vehicles and Pat McGrath-Buick manufactured Dodge vehicles shall be considered to have two (2) Franchises.

147. **Awning.** A structure made of cloth, metal or other materials affixed to a building and generally located so as to provide shade for windows and doors.

148. **Basement.** A portion of the building partly underground but having less than one-half its clear height below the average grade of the adjoining ground.

149. **Bay Window.** A window which projects outward from the building wall, and does not rest on the building foundation or on the ground.

150. **Beacon.** A light with one (1) or more beams directed into the atmosphere or directed at one (1) or more points not on the same lot as the light source. However, this term shall not include any kind of lighting device that is required or necessary under the

safety regulations described by the Federal Aviation Administration or other similar agencies. Beacon shall not include Searchlight, as defined herein.

151. **Berm.** An earthen mound designed to provide visual interest on a site, screen undesirable views, reduce noise, or fulfill other such purposes.

152. **Block.** A tract of land bounded by streets or by a combination of one (1) or more streets and public parks, cemeteries, railroad rights-of-way, bulkhead lines, shorelines of waterways or corporate boundary lines.

153. **Block Face.** The properties abutting on one (1) side of the street and lying between the two (2) nearest intersecting or intercepting streets, or nearest intersecting or intercepting street and railroad right- of-way, public parks, cemeteries, corporate boundary line or watercourse.

154. **Block Frontage.** The total horizontal length of the lot frontages on one side of a street between the two nearest intersecting streets, or, if the street terminates in a dead-end, between the nearest intersecting street and the dead end of the street.

155. **Bollard.** A functional pole or sphere attached to the ground intended to control automobile access into pedestrian areas or protect structures in pedestrian areas from automobile damage.

156. **Breezeway.** A roofed, open-sided structure that connects a principal building with an accessory building.

157. **Buffer Yard.** An area of a lot with landscape plantings and other components used to visibly separate one use from another or to shield noise, lights or other nuisances.

158. **Buildable Area.** The area of lot remaining after the minimum yard and/or open space requirements of this Ordinance have been complied with.

159. **Building.** A structure attached to the ground built for the support, shelter or enclosure of persons, animals or property of any kind.

160. **Building, Attached.** A building which is joined to another at one or more sides by a common wall, except that any accessory building, including a garage, shall also be considered as attached to the principal building if connected by a roof.

161. **Building, Completely Enclosed.** A building enclosed by a permanent roof and continuous exterior walls having openings only for windows, screens, and entrance or exit doors.

162. **Building Coverage.** A measure of intensity of land use that represents the portion of a site that is covered by a principal building or buildings including attached garages and enclosed porches, and accessory buildings including detached garages and any other enclosed accessory building in excess of 120 square feet of Lot Coverage. Building Coverage shall be measured at the outer edge of the foundation line, or at the outer wall surface or support column in the case of a post or other non- continuous foundation, excluding projections for bay windows. Building Coverage shall not include unenclosed porches, decks, or unenclosed accessory structures such as gazebos, swimming pools, or tennis and sports courts.

163. **Building, Detached.** A building surrounded by open space on the same lot. A building connected to another building only by an unenclosed structure shall be deemed to be a detached building.

164. **Building Frontage.** The horizontal length of any side of a building or portion thereof that faces a public or private street or parking area.

165. **Building Height.** The vertical distance from grade at the midpoint of the required front building line to a specified point on the building:

A. In the case of a flat roof, to the highest point of the wall or parapet; if the building design provides for enclosed mechanical equipment on the roof, the building height shall be measured to the highest point of the enclosing structure, if the enclosing structure comprises more than 20% of the lot coverage of the building.

B. In the case of a gable, hip, gambrel or mansard roof, to the top of the ridge of the highest area of the roof.

C. Building elements extending above the main portion of the building such as chimneys, spires, steeples, towers, elevator penthouses, tanks and similar projections shall not be included in calculating building height, unless the area of a horizontal plane through the widest part of the building element comprises more than 20% of the lot coverage of the building.

166. **Building Line.** A line within the lot parallel to a front lot line or exterior side lot line, which is separated from such lot line by the depth of the required front yard or exterior side yard, respectively.

167. **Bulk.** The term used to indicate the size of buildings or structures, and the location of the same with respect to lot lines and to one another, which includes the following:

A. Lot Area

B. Lot Width

C. Building Coverage

D. Floor Area and Floor Area Ratio

E. Building Height

F. Yards, setbacks, Landscape Buffers, and other open space.

168. **Bulletin Board.** Any sign with a changeable message board erected in a permanent fashion by a charitable, educational or religious institution or public body, which is erected upon the same property as said institution.

169. **Business.** The engaging in the purchase, sale, barter, or exchange of goods, wares, merchandise, or services, the maintenance or operations of offices or recreational and amusement enterprises for profit.

170. **Canopy.** A permanent roof like structure that projects from the wall of a building and overhangs the right of way or open space outside the building, normally used to shelter pedestrians from rain or snow, or as a decorative architectural feature.

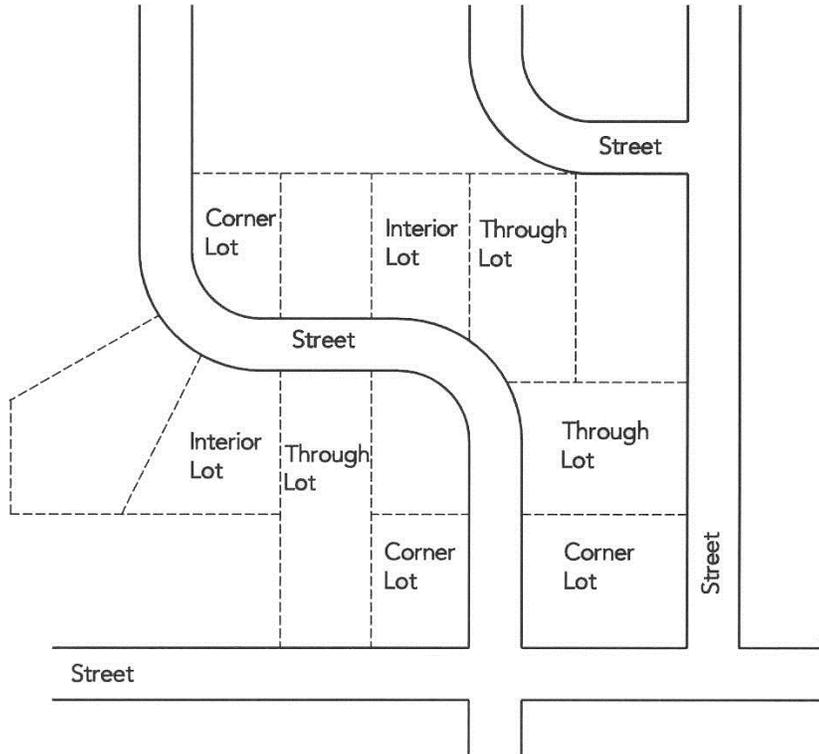

171. **Carport.** An open-sided roofed structure designed to shelter one or more vehicles, usually formed by an extension of the roof from the side of a building.
172. **Cellar.** The portion of a building located partly or wholly underground, and having half of more than half of its clear floor-to-ceiling height below the average grade of the adjoining ground.
173. **Circular Driveway.** A driveway on a single or two-family residential lot configured generally in a “U” shape, having two points of access to a public street or streets.
174. **Clear Zone.** An area of a lot that is required to be kept clear of obstructions as specified by this Ordinance, to provide access to fire hydrants and electrical equipment.
175. **Commercial Vehicle.** Any vehicle operated for the transportation of persons or property in the furtherance of any commercial or industrial enterprise, for-hire or not-for-hire, but not including a commuter van, a vehicle used in a ridesharing arrangement when being used for that purpose, or a recreational vehicle not being used commercially.
176. **Conditional Use.** The use allowed in a zoning district after approval is granted by the Zoning Board of Adjustment according to the provisions set forth in Section 176.36 of this Ordinance.
177. **Conforming Building or Structure.** Any building or structure that complies with the regulations of this Ordinance, as amended.
178. **Contiguous.** Adjoining or abutting.
179. **Curb Level.** The elevation of the established curb in front of a building or structure, measured at the midpoint of the building or structure’s frontage. Where there is pavement, but no curb, curb level shall be deemed to be the elevation of the centerline of the street surface in front of the building or structure, measured at the midpoint of the building or structure’s frontage.
180. **Deck.** An accessory structure that may be attached or unattached to the principal building, which is open to the sky and provides a platform that is raised above the ground.
181. **Degree of Nonconformity.** The degree of deviation of a particular nonconformity from uses or structures permitted within a zoning district. The principal uses listed under a specific zoning district shall be interpreted to have the same degree of nonconformity for the purposes of this Ordinance.
182. **District.** A geographic area of the City within which certain uniform regulations and requirements, or various combinations thereof, apply under the provisions of this Ordinance.
183. **Donation Boxes.** Any enclosed container located on private or public property specifically for the purpose of collecting donated clothing, books, electronics, or other similar items. Cargo Containers, trash dumpsters, or trash receptacles shall not be considered Donations Boxes.
184. **Driveway.** A private roadway providing access for vehicles to a parking space, garage, dwelling, or other structure.

185. **Dwelling.** A building, or portion thereof, designed or used exclusively for residential occupancy, but not including Hotel/Motel or Bed and Breakfast Establishment, nor an automobile house trailer, recreational vehicle as defined herein.
186. **Dwelling, Attached.** A dwelling that is joined to another dwelling at one (1) or more sides by a party wall or walls.
187. **Dwelling, Detached.** A dwelling that is entirely surrounded by open space on the same lot.
188. **Dwelling Unit.** A dwelling unit consists of a group of rooms which are arranged, designed, used or intended for use exclusively as living quarters for one (1) family, as defined by this Ordinance and which include permanently installed bathroom and kitchen facilities.
189. **Dwelling Unit, Accessory.** See Dwelling Unit, Auxiliary.
190. **Easement.** A legal interest in land, granted by the owner to another person, which allows that person's use of all or a portion of the owner's land, generally for a stated purpose including but not limited to access or placement of utilities, or access.
191. **Efficiency Unit.** A dwelling unit consisting of one (1) principal room, together with bathroom, kitchen, hallway, closets and/or dining alcove directly off the principal room, provided such dining alcove does not exceed one hundred twenty-five (125) square feet in area.
192. **Erect.** To build, construct, attach, hang, place, suspend or affix; also including the painting of wall signs.
193. **Façade.** Any wall of a building which faces, or is visible from, a public street or residential district.
194. **Family.** A group of individuals, not necessarily related by blood, marriage, or legal adoption, living together as a single housekeeping unit.
195. **Fence.** A constructed barrier of wood, masonry, stone, wire, metal, or other manufactured material or combination of materials erected to enclose, screen, or separate areas.
196. **Fence, Open.** A fence designed and constructed so that the surface area of any segment of the fence, inclusive of any gates, is at least eighty percent open, as compared to solid materials, when viewed perpendicular to the plane of the fence.
197. **Fence, Solid.** A fence designed and constructed so that the surface area of any segment of the fence, inclusive of any gates, is at least eighty percent opaque, when viewed at any angle.
198. **Fence Height.** The vertical distance from grade directly under the fence to the top of the fence. Support posts or decorative elements may be excluded in measuring the height of a fence if they do not exceed one hundred twenty-five percent (125%) of the height of the other elements of the fence, do not exceed six (6) inches in diameter or width, and are spaced at not less than three (3) feet on center.

199. **Floor Area, Gross.** The sum of the gross horizontal floor areas of the several stories of a building, plus any basement or cellar floor area, measured from the exterior faces of the exterior walls, or in the case of a common wall separating two buildings, from the centerline of the common wall. Gross floor area shall not include interior parking or loading spaces, or any space where the floor to ceiling height is less than six feet.
200. **Foot Candle.** A measuring unit of illuminance on a surface that is uniformly one foot from a uniform point source of light of one candela.
201. **Frequency.** The term Frequency signifies the number of oscillations per second in a sound wave and is an index of the pitch of the resulting sound.
202. **Frontage.** See Lot Frontage.
203. **Grade.** The elevation of the ground at a reference point or line, as may be specified for the applicable regulation.
204. **Greenhouse.** A building or structure used for growing plants and/or displaying and selling of horticultural and related products, not including the conduct of a landscape contracting business on the premises.
205. **Height.** The vertical distance from grade to a specified point or plane. See also Building Height, Fence Height, Sign Height.
206. **Historic building.** A building that has been designated by the City, the State of Iowa, or the National Trust for Historic Preservation as an architectural or historic landmark, or that is a significant or contributing building within a designated historic district.
207. **Historic lighting fixture.** A lighting fixture mounted on a historic building, that was either part of the original design and construction of the historic building or has been approved by the City as being consistent with the original design and construction of the historic building.
208. **Hotel.** A building in which lodging and/or boarding are provided and offered to the public for compensation and in which ingress and egress to and from all rooms is made through an inside lobby or office supervised by a person in charge at all hours. As such, it is open to transient guest as compared to a boarding or lodging house.
209. **Impervious Surface.** A hard, man-made surface that does not readily absorb or retain water, including but not limited to roofs, paved areas for parking and driveways, and graveled areas.
210. **Inflatable Advertising Devices.** A portable advertising device that is supported primarily by compressed air or other gases. Such devices may be sealed from escaping or may be maintained in an inflated condition by means of a fan or blower, which is designed to maintain air pressure inside the device greater than the atmospheric air pressure outside the device.
211. **Intensity of Use.** An increase to an existing use of a building, structure, or land area through the addition of dwelling units, gross floor area, seating capacity, additional employment, or similar unity of measure.

212. **Intermodal Container.** A shipping container that is portable and enclosed, used for the storage or shipping of inventory, materials or supplies.
213. **Land Banked Parking.** Parking spaces required for compliance with the off-street parking requirements of this Ordinance that are not initially constructed, pursuant to the provisions for land banked parking contained in Chapter 17.24. Land banked parking stalls shall be clearly indicated on all approved site, engineering, landscape, and building plans.
214. **Landscaping, Building Foundation.** A planted area located adjoining exterior building walls and containing a common side with the structure. Turf is not a component of this planted area.
215. **Loading Space, Off-Street.** An unobstructed area located totally outside of any street or alley right-of-way and the principal use of which is for standing, loading, or unloading of trucks or trailers.
216. **Logo.** A business trademark or symbol.
217. **Lot.** A tract of land which is designated by its owner at the time of application for a building permit as a unified parcel, all of which is to be developed and used under single ownership. A lot may consist of a) a single lot of record or b) a combination of contiguous complete lots of record. See 176.06-Figure1 for lot types.

176.06-Figure1
Lot Types

218. **Lot Area.** The area of a horizontal plane bounded by the vertical planes through front, side and rear lot lines.

219. **Lot, Buildable.** A lot that meets all the minimum requirements of this Ordinance applicable to the construction of a principal building of a given type.

220. **Lot, Corner.** A lot situated at the junction of, and abutting on, two (2) or more intersecting streets, or a lot at the point of deflection in alignment of a single street, the interior angle of which does not exceed one hundred thirty-five degrees (135°).

221. **Lot Coverage.** A measure of intensity of land use that represents that portion of the horizontal area of a lot that is covered by the principal building or buildings and accessory buildings and structures, including but not limited to:

- A. Attached and detached garages (measured at the foundation)
- B. Accessory sheds (measured at the outer wall surface)
- C. Gazebos and cabanas (measured at the outer wall surface)
- D. Enclosed and Unenclosed Porches (measured at the outer edge of the foundation line, or at the outer wall surface or support column in the case of a post or other non-continuous foundation)

- E. Decks and accessibility ramps (measured at the outer limits of the deck or ramp surface)
- F. Swimming pools (measured at the outer edge of the pool deck)
- G. Tennis courts and sports courts (measured at the outer edge of the court surface)

222. **Lot Depth.** The mean horizontal distance between the front lot line and the rear lot line of a lot, measured within the lot boundaries.

223. **Lot, Flag.** A Flag Lot is an irregularly shaped lot which consists of two (2) sections: the primary mass of the lot (the buildable portion), which is set back from the street access and located behind one (1) or more other lots, and a narrow access corridor (the flagpole), which extends from the primary mass of the lot toward the street. The front lot line for a flag lot may be established on a lot line which is not a street frontage, and which is generally either parallel with or perpendicular to the street right-of-way.

224. **Lot Frontage.** The horizontal length of a front lot line or an exterior side lot line abutting a street. The term "Street Frontage" is equivalent.

225. **Lot, Interior.** A lot other than a corner lot or a through lot.

226. **Lot Line.** A property boundary line of any lot, except that where any portion of the lot extends into an abutting street or alley, the lot line shall be deemed to be the established or existing street or alley right-of-way line.

227. **Lot Line, Exterior Side.** A lot line which abuts a street and which is not a front lot line or a rear lot line.

228. **Lot Line, Front.**

A. In the case of an interior lot, the lot line that abuts an improved or dedicated street.

B. In the case of a corner lot or flag lot, the front lot line shall be as established on the plat of subdivision. For corner lots, if a front lot line was not established on the plat of subdivision, the front lot line shall be the shortest lot line adjoining a street; if both lot lines adjoining the street are the same length, the front lot line shall be as established by the owner at the time of application for a building permit. For flag lots, if the front lot line was not established on the plat of subdivision, the front lot line shall be as established by the owner at the time of application for a building permit.

C. In the case of a through lot, the front lot line shall be the lot line that does not abut a collector or arterial street; if neither street abutting the lot is a collector or arterial street, the front lot line shall be the established common front lot line on the block. If no common front lot line has been established, the front lot line shall be established along the street where access is provided to the lot. If none of the preceding conditions apply, then the front lot line shall be established by the owner at the time the building permit is issued.

D. In the case of a lot with no frontage on a street, the front lot line shall be as established in a PUD, or if not so established, shall be designated by the Director

of Community Development based upon the orientation of the building and its entrances in relation to the location of parking lots, access drives, and visibility of the building from public streets. In general, the front lot line should be designated so that the front of the building faces the front lot line.

229. **Lot Line, Interior Side.** Any lot line that is not a front lot line, a rear lot line, or an exterior side lot line.

230. **Lot Line, Exterior Side.** A lot line that abuts a street and that is not a front lot line or a rear lot line.

231. **Lot Line, Rear.** That boundary of a lot that is most distant from and is, or is approximately, parallel to the front lot line. If the rear lot line is less than ten (10) feet in length, or if the line forms a point at the rear, the rear lot line shall be deemed to be a line ten (10) feet in length within the lot, parallel to and at the maximum distance from the front lot line. In the case of a through lot, the rear lot line shall be the lot line abutting a street that is, or is most nearly, opposite from and parallel to the designated front lot line.

232. **Lot of Record.** A lot which is part of a recorded subdivision, or a lot or parcel described by metes and bounds, the description of which has been recorded.

233. **Lot, Reversed Corner.** A corner lot where the exterior side lot line is substantially a continuation of the front lot line of the first lot to its rear.

234. **Lot, Through.** A lot bounded by streets at opposite ends of the lot, which is not a corner lot.

235. **Lot, Through Corner.** A lot abutting two parallel or approximately parallel streets, as well as a third street which is perpendicular or approximately perpendicular to the other two streets.

236. **Lot Width.** The distance between the side lot lines of a lot measured by a straight line drawn between the intersections of the side lot lines with the front building line.

237. **Luminaire.** A complete lighting unit consisting of a light source and all necessary optical, mechanical, electrical and decorative parts, but not including the pole or other support.

238. **Lux (lx).** A unit for measuring the illumination (luminance) of a surface. One lux is defined as an illumination of one lumen per square meter or 0.0001 phot. [By way of explanation, in considering the various light units, it's useful to think about light originating at a point and shining upon a surface. The intensity of the light source is measured in candelas; the total light flux in transit is measured in lumens (1 lumen = 1 candela·steradian); and the amount of light received per unit of surface area is measured in lux (1 lux = 1 lumen/square meter). One lux is equal to approximately 0.09290 foot candle.]

239. **Mansard Roof.** A double-sloped pitched roof rising steeply from the eaves and having a summit of flatter slope on both sides of the ridge.

240. **Memorial Plaque.** A sign designating names of buildings and/or date of erection, and other items such as architect, contractor or others involved in the building's creation cut into or attached to a building surface.

241. **Mezzanine.** An intermediate or fractional story between the floor and ceiling of a main story. A mezzanine is usually just above the ground or main floor and extends over part of the main floor.
242. **Motor Vehicle.** Any self-propelled wheeled vehicle designed primarily for transportation of persons or goods along public streets.
243. **Nameplate.** A sign indicating the name, address or profession of the person or persons occupying the lot or a part of the building.
244. **Nonconforming, Legal.** (lawful) A building, structure, or use lawfully erected and/or used prior to the adoption of this Ordinance, or amendments thereto, and which does not conform to the provision of this Ordinance, or amendments thereto, for the zoning district within which such building, structure or use is located.
245. **Nonconforming Lot.** A lot of record that does not meet the lot area or lot width requirements of this Ordinance for the zoning district in which it is located.
246. **Nonconforming Use, Building or Structure.** An existing use, building or structure, or part or appurtenance thereof, that does not meet the applicable requirements of this Ordinance.
247. **Nonconformity, Degree of.** See definition of Degree of Nonconformity.
248. **Non-residential Building or Use.** A principal building or principal use thereof which is not arranged, designed, used or intended to be used for residential occupancy. Nursing homes, homeless shelters, hospice facilities, hotel/motels, and bed and breakfast establishments are considered to be non-residential buildings or uses for purposes of this Ordinance. (See definition of Residential Building or Use.)
249. **Obstruction.** Any building or structure, or part thereof, which is so located as to come in the way of any open area required by this Ordinance. Trees or shrubs shall not be considered as obstructions.
250. **Owner.** A titleholder of record, or if Ordinance is held in trust, the beneficiary of the trust.
251. **Parcel.** One or more lots or parts of lots, which may or may not be in common ownership, designated by its owner(s) to be considered as one parcel for the purpose of applying a particular regulation of this Ordinance. (An example for illustrative purposes only: The owners of separate lots constituting a shopping center where parking and access are shared, may designate the lots constituting the shopping center as a parcel so as to apply the regulations pertaining to parking, signs, etc.)
252. **Parking Space, Off-Street.** A space other than a street or alley designed for use or used for the temporary parking of a motor vehicle.
253. **Patio.** An open, hard surfaced area designed and intended for outdoor sitting, dining, socializing, or recreational use by people and not as a parking space.
254. **Pedestrian Wall.** An upright structure of building material, such as brick or masonry, serving to enclose, divide, or protect an area as part of an aesthetic or landscape design.

255. **Person.** An individual, proprietorship, partnership, corporation, association or other legal entity.
256. **Person with a Disability.** Any individual whose disability:
- A. Is attributable to mental, intellectual or physical impairments or a combination of mental, intellectual or physical impairments.
 - B. Is likely to continue or a significant amount or time or indefinitely.
 - C. Results in functional limitations in three (3) or more of the following areas of major life activity: Self-care, receptive or expressive language, learning, mobility, self-direction, capacity for independent living, and economic self-sufficiency.
 - D. Reflects the person's need for a combination and sequence of special, interdisciplinary, or generic care, treatment or other services which are of a life-long or extended duration.
257. **Porch, Enclosed.** A structure immediately adjoining and projecting from an exterior wall of a building, which has direct access into the building, is covered by a roof or eaves, and is enclosed by a combination of walls and permanent or temporary windows or screens. Screened-in rooms shall be considered enclosed porches.
258. **Porch, Unenclosed.** A structure immediately adjoining and projecting from an exterior wall of a building, which has direct access into the building, is covered by a roof or eaves, and is completely open on all sides not adjoining an exterior wall of a building, except for railings and columns. Principal Building. A non-accessory building in which the principal use of the lot on which it is located is conducted.
259. **Principal Use.** A non-accessory use of a building or lot.
260. **Private.** In reference to a building, structure, utility, facility or use, owned by someone other than a unit of government, or an agency of government, unless the context clearly indicates that "private" is being used in a broader sense of something not open or available to the general populace.
261. **Property Line.** A lot line.
262. **Public.** In reference to a building structure, utility, facility or use, owned and/or operated by a unit of government or an agency thereof, unless the context clearly indicated that "public" is being used in the broader sense of something available to the general populace.
263. **Public Property.** Any property owned, leased or held by any unit of government such as the United States, the State of Iowa, the City, park district, school district, library district, township, County, or any subdivisions thereof. This shall include all streets, parkways, sidewalks, alleys, buildings, parking lots, landscaped areas, parks, and schools, as well as any municipal signs, traffic-control devices, trees, utility poles, shelters or street lights located thereon.
264. **Public Building.** Any building owned, leased or held by any unit of government such as the United States, the State of Iowa, the City, park district, school district, library

district, township, County, or any subdivisions thereof, provided that said building is used for governmental purposes.

265. **Public Way.** Any sidewalk, street, alley, highway or other public thoroughfare, located within a dedicated right of way or within an easement where the public has a right of access.

266. **Railroad Right-of-Way.** A private right of way with tracks and auxiliary facilities for track operation, not including freight depots or stations, loading platforms, train sheds, warehouses, car or locomotive shops, or car yards.

267. **Recreational Vehicle.** Any camping trailer, motor home, mini-motor home, travel trailer, truck camper or van camper and any towed recreational equipment, including the trailers for same such as boats, snowmobiles and motorcycles used privately for recreational purposes and not used commercially. Recreational vehicles, more specifically, include, but are not limited to:

A. **Camper Trailer (Pop-Up).** A recreational trailer not used commercially, constructed with partial side walls which fold for towing and unfold to provide temporary living quarters for recreational camping or travel use and are of a size or weight not requiring an over-dimension permit when towed on a highway.

B. **House Trailer (Mobile Home).** A recreational trailer equipped and used for living quarters for human habitation, temporarily or permanently, rather than for the transportation of freight, goods, wares and merchandise.

C. **Motor Home (Mini-Motor Home or Van Camper).** Any self-contained motor vehicle, not used commercially, designed or permanently converted to provide living quarters for recreational, camping or travel use, with the direct walk-through access to the living quarters from the driver's seat.

D. **Travel Trailer.** A recreational trailer not used commercially, designed to provide living quarters for recreational camping or travel use, and of a size or weight not requiring an over-dimension permit when towed on a highway.

E. **Truck Camper.** A recreational truck, not used commercially, when equipped with a portable unit designed to be loaded on to the bed which is construed to provide temporary living quarters for recreational, travel or camping use.

268. **Refuse.** Any waste products, including recyclable materials, resulting from human habitation or the conduct of business or industry, except sewage.

269. **Residential Building, Use.** A principal building or principal use thereof which is arranged, designed, used or intended to be used for residential occupancy and permitted accessory uses, including but not limited to single-family dwellings, auxiliary dwellings, two-family dwellings, townhouse dwellings, multi-family dwellings, group homes, independent living facilities, and assisted living facilities. Nursing homes, homeless shelters, hospice facilities, hotel/motels, and bed and breakfast establishments are not considered to be residential buildings or uses for purposes of this Ordinance.

270. **Residential Development Sign.** An identification sign used to indicate the entrance to a subdivision, neighborhood, or unified residential area.

271. **Satellite Dish Antenna, Large.** A parabolic Communication Antenna, usually distinguished by a spherical or cone shape, including the dish structure and structural supports, used for the sending and/or receiving of transmissions from satellites, with a dish diameter larger than a “Satellite Dish Antenna, Small” as defined herein.

272. **Satellite Dish Antenna, Small.** A parabolic Communication Antenna, usually distinguished by a spherical or cone shape, including the dish structure and structural supports, used for the sending and/or receiving of transmissions from satellites, with a dish diameter of one (1) meter (40 inches) or less located in a residential zoning district or two (2) meters (80 inches) or less located in all other zoning districts.

273. **Searchlight.** An apparatus containing a source of light and a reflector that projects the light produced in a concentrated, far-reaching beam. A searchlight is typically mounted on a swivel so that the beam can be directed.

274. **Setback.** The required minimum distance from a lot line to a building or structure, or other improvement on a lot; usually synonymous with yard.

275. **Shade Tree.** A deciduous tree planted primarily for its high crown of foliage or overhead canopy. A large shade tree is over forty (40) feet in height. Medium shade trees are between twenty-five (25) and forty (40) feet in height. Small shade trees reach up to twenty-five (25) feet in height.

276. **Shopping Center.** Two (2) or more retail stores and/or service establishments located on a parcel of four acres or more sharing customer parking areas, regardless of whether said stores and/or establishments occupy separate structures or are under separate ownership.

277. **Sign.** A name, identification, description, display, illustration or attention-getting device which is affixed to or painted or represented directly or indirectly upon a building or other outdoor surface or lot, and which directs attention to a person, business, product, service, place, organization or entertainment. Sign shall not include the flag of any nation, state or governmental entity. Specific classification and structural types of signs are found in Section 176.31 of the Zoning Code.

278. **Story.** That portion of a building included between the surface of a floor and the surface of the floor next above, or if there is no floor above, the space between the floor and the ceiling or roof above it. A cellar shall not be counted as a story, but shall be included in any calculation of gross floor area if it otherwise meets the applicable criteria.

279. **Story, Half.** A partial story located above a full story and underneath one or more sloping roofs, meeting the following criteria:

A. Total wall height above the first-floor level shall not exceed an average of 13 ft., measured along walls that intersect the roof plane, as shown in Figure 17.30-4. A garage floor level shall be calculated at the height of the first floor immediately adjacent to the garage. For a half story located above a second floor, the wall height shall be measured from the second-floor level.

B. The total horizontal width of all projections out of the half-story roof plane shall not exceed 60% of the total horizontal length of the half story roof. Roof length shall be measured horizontally along all walls that intersect the roof, as shown in

Figure 17.30-4. Projections include window dormers, shed dormers, wall projections up through the roof eave line, and other projections that do not extend out beyond the roof eave line.

280. **Street.** A permanent public or private right of way that affords a primary means of access to abutting property.

281. **Street Level.** The story of a building that has its floor at the level closest to the elevation of the public sidewalk or street, with direct pedestrian access to that story from the outside. A story shall not be considered street level if it is more than three (3) feet above or three (3) feet below sidewalk grade at the primary customer entrance to the building.

282. **Street Line.** The dividing line between a street and a lot.

283. **Street Wall.** The wall of a building nearest to and facing on a street.

284. **Structural Alteration.** Any change, other than incidental repairs, in the supporting members of a building or structure such as bearing walls or partitions, columns, beams, or girders, or any substantial change in the roof or exterior walls.

285. **Structure.** Anything constructed, erected, or placed with a more or less fixed location on the ground, or attached or resting on something having a fixed location on the ground. Among other things, “structure” includes buildings, walls, fences, signs, and billboards.

286. **Temporary Structure.** A structure that is not designed or intended to be permanently located, placed or affixed in a location, such as a trailer, tent, or portable sign.

287. **Temporary Contractor’s or Real Estate Sales Office.** This use includes watchman’s trailers, construction equipment sheds, contractor or real estate sales trailers, and similar uses incidental to a construction project and sales of homes within a newly constructed development.

288. **Terrace.** An open area with a paved platform and a flat roof or roof-like structure and adjacent on at least one (1) side to a building, but not adjacent to any entrance to a building.

289. **Use.** The specific purpose or activity for which the land or building thereon is designed, arranged or intended, or for which it is occupied or maintained.

290. **Variance.** A modification of the strict terms of the relevant regulations of this chapter where such modification will not be contrary to the public interest and where, owing to conditions peculiar to the property and not the result of the action of the applicant, a literal enforcement of this chapter would result in unnecessary and undue hardship.

291. **Yard.** A required open space on a lot which is unoccupied and unobstructed from its lowest level upward, except for obstructions specifically permitted in this Ordinance. A yard extends along a lot line for a depth or width specified for the district in which the lot is located, measured perpendicular to the lot line.

292. **Yard, Corner Side.** A required yard that extends along a corner or exterior side lot line abutting public right-of-way, excluding the area within the required front yard.

293. **Yard, Front.** A required yard that extends along a front lot line for the full width of the lot.

294. **Yard, Interior Side.** A required yard that extends along an interior side lot line, excluding the area within the required front and rear yards.

295. **Yard, Rear.** A required yard that extends along a rear lot line for the full width of the lot between side lot lines, excluding the area within a required exterior side yard.

296. **Zoning Official.** The individual appointed by the City Manager to administer and enforce the Zoning Ordinance.
