The month of January was spent in the future water office building. We installed two sewer lines one new water line. Ran new water lines inside the building to areas that needed water. We also filled in the existing pit with flowable fill which is a sand/cement mixture.

In addition we also did the following:

**Fixed water leaks**
- 1135 Mitchel drive

**Service taps:** 1

**Measure new curb boxes:** 1

**Hydrants loaded out:** 2
