Utility Bills
The Marion Water Department prepares and mails the City’s utility bill. Most residential users are billed every two months, while most commercial accounts are billed monthly.

Payment may be made through the Water Department’s Check-Free Payment Program, credit card, debit card, personal check, cash and money order. The Water Department accepts Visa, MasterCard, American Express and Discover cards. To make payment via the self-service online portal, visit the Water Department page at www.cityofmarion.org.

The department is able to send the utility bill electronically to those who request this option. Contact the Water Department with any billing questions at 319-743-6310. There are two drop-box locations at City Hall, one near the 6th Avenue building entrance and the second at the 12th Street drive entrance.

Door Tag Charge
There is a charge of $32.10 if the Water Department has to hang a door tag at the customer’s dwelling or business if payment has not been made on time. Customers are encouraged to call 319-743-6310 to make a payment arrangement and avoid the door tag charge, or loss of water service.

Street Light Outage
To report a street light outage or issue, contact the Public Services Department at 319-377-6367 or email public-services@cityofmarion.org. Be sure to include the address/location of the outage.

Building Permits
Requiring permits and inspections is the only way the Building Department can ensure modifications to a building meet the minimum levels of health and safety. Performing work that does not meet these basic requirements becomes an important disclosure issue for home owners and insurers. A building permit is required when any building or structure is erected, constructed, altered, repaired, removed or demolished. Small projects such as changing a toilet, garbage disposal, sink faucet, light fixture or electrical outlets do not require a permit. However, adding or moving an electrical outlet, light fixture, sink or dishwasher would need a permit. The Building Department can assist with this process and answer questions at 319-743-6330.

Temporary Signage
Signs other than official traffic or street signs are not allowed in the City right-of-way. This includes such signs as For Sale, Garage Sale, advertising or political signs. Signs placed between the curb and the sidewalk are considered in the right-of-way and will be removed. Contact the Planning and Development Department for more information: 319-743-6320.

The Cedar Rapids/Linn County Solid Waste Agency is located at 1954 County Home Road, Marion. The phone number is 319-377-5290. The landfill accepts old paint cans and hazardous household materials.
OUR COMMUNITY
Marion is one of the Midwest’s fastest growing cities – and one of the youngest per capita. Located just minutes north of Cedar Rapids, Marion prides itself on being the best place in Iowa to raise a family and grow a business.

Nearly 40,000 people call Marion home. We take pride in our exceptional schools, eclectic array of cultural and entertainment offerings, beautiful city parks and diverse mix of large and small businesses. Marion is proud to have one of the lowest crime rates for communities over 20,000 in population in the state.

City Square Park
City Square Park, located on 7th Avenue between 10th and 11th Streets, is a hub of activity throughout the year. Nearly all events are family-oriented and enjoyed by thousands. They include: Marion Arts Festival, Uptown Marion Market, summer concerts in the park, Swamp Fox Festival, Christmas in the Park…and more!

Uptown Artway
Take a stroll through the Uptown Artway, the re-imagined gathering space that runs behind 7th Avenue in Uptown Marion. What was once an under-utilized alley, now features nine permanent art installations by local and national artists.

Lowe Park
Lowe Park, located at 4500 N. 10th Street, is a natural oasis. It is home to walking trails, a children’s discovery garden, a greenhouse, sculpture trail, playground and lily pond. Visit the art gallery or consider the Lowe Park Arts and Environment Center for your facility rental needs.

The park is also home to the Klopfenstein Amphitheater for the Performing Arts which is used for community events and private rentals. The venue features a 50-foot stage and a canopy of six oak leaves sculpted from Corten steel. It is home to Sunrise Yoga, outdoor movie nights, various concerts and weddings throughout the year.

The west half of the 180-acre park is accessed via 4901 Alburnett Road. The park offers eight baseball and softball diamonds.

Thomas Park
Situated along Marion Boulevard, Thomas Park is one of Marion’s oldest parks. It features three pavilions, playgrounds, two full-size basketball courts, ice rink, an 18-hole disc golf, a splash pad, horseshoe courts, trails, an open play area, a sledding hill and access to Boyson and Krumboltz Trails. It is also home to the Parks and Recreation Administrative and Operations facility.

Trails
All trails lead to Marion. Over the next 5 years, three major trail connections are expected between Cedar Rapids and Marion; the CeMar Trail, Lindale Trail extension and Tower Terrace Road Trail. Find a map of Marion’s existing trail system at www.cityofmarion.org or view the regional trails network at www.linncountytrails.org.
Marion Chamber of Commerce
www.marioncc.org
319-377-6316
The Marion Chamber focuses its programming on commerce, community and culture. Through these three pillars they work to make Marion the best place in Iowa to raise a family and grow a business.

Marion Public Library
www.marionpubliclibrary.org
319-377-3412
The Marion Public Library is available to all, seven days a week (with the exception of holidays). Many services are available remotely through the library’s website and catalog apps. Library cards are always free and offer additional access to some resources. Subscribe to the library’s newsletters to keep up with events and programs available for all ages and interests. The most popular books, movies and music are offered in a variety of formats. Stop in to use the library’s internet computers, laptops, or free WiFi and Notary services. WiFi Hotspots are available to check out, as well.

Marion Senior Center
Lowe Park Arts & Environment Center
4500 N. 10th Street, Marion

319-377-1654

The Marion Parks and Recreation Department offers many recreation programs for a variety of age groups, including boys baseball, girls softball, soccer, swimming lessons, flag football and basketball. The department also handles all park pavilion reservations and manages City-owned Oak Shade Cemetery.

Linn County Parks
www.mycountyparks.com
Squaw Creek Park, located on the southeast side of Marion, is maintained by Linn County Conservation. For pavilion reservations and other needs at this park, call 319-892-6450.

Farmers’ Markets
Marion is home to two markets. The Marion Farmers’ Market, coordinated by the Parks and Recreation Department (319-447-3590) is held weekly in Taube Park the first Saturday in May through the last Saturday in September. It is open Saturdays from 8–11:30 a.m.

The Uptown Marion Market is hosted by the Marion Chamber of Commerce (319-377-6316) and takes place in Marion’s City Square Park. It is held the second Saturday of the month in June, July and August from 8 a.m. – noon.

Pets
The City does not require licenses for cats and dogs, but once they reach six months of age they are required to be vaccinated against rabies and wear a collar with a valid tag.

Pets on leashes are welcome in City parks, as well as walking trails and Oak Shade Cemetery. It is the responsibility of pet owners to clean up after their pets.

Due to public safety and health guidelines, pets are not allowed in pavilions or within 100 feet of food vendors, playgrounds, ball fields or swimming pools. Pets, other than service animals, should stay home during large events and community festivals.

Located just across Hwy 100 is a great regional resource where dogs can run free and socialize with their canine friends. Check out the K9 Acres Off-Leash Area at Squaw Creek Park. Learn more at k9cola.org.
Nicotine-Free Parks
In line with Marion’s goal to be the healthiest city in the state, the City of Marion has made the commitment to smoke-free, nicotine-free and tobacco-free parks and trails. Smoking or the use of tobacco, nicotine products and vaporizers in City parks or on trails is not allowed.
