CONTRACTOR & DEVELOPER GUIDE 2019
Thank you for your interest in the City of Marion. Every effort will be made to provide you with the best service possible. Cooperation between interested parties and city departments is beneficial to all involved.

The City of Marion has designed this guide to serve as a reference to be used by citizens, contractors, developers, and other individuals interested in the City of Marion. This guide includes department responsibilities, permitting procedures, and city regulations. Specific questions and requests should be directed to the appropriate departmental staff through various forms of communications.

It is important to note that this guide is a general overview and does not describe all the detailed information that may be required. City staff performs only limited roles in these matters and do not work directly for the owner, developer, lender or contractor. Be certain to obtain competent expert advice from consulting engineers, planners, lawyers and surveyors.

COMMUNITY DEVELOPMENT * BUILDING DIVISION
1225 6TH Avenue, Marion, IA 52302
Phone 319-743-6330 Fax 319-373-4260
Website: www.cityofmarion.org
Email: ghansen@cityofmarion.org

RESPONSIBILITIES

✧ Administer building, plumbing, mechanical, electrical, and assorted construction codes.
✧ Administer Nuisance and Property Maintenance Codes.
✧ Review all construction plans and specifications.
✧ Issue permits and conduct the necessary inspections during the construction process.

A building permit (with few exceptions) is required to erect, construct, enlarge, alter, repair, move, or convert any building or structure in the City of Marion.

BUILDING PERMITS
(Current building codes: 2018 International Residential and 2018 International Building Code with local amendments) Adopted amendments and additional information available at City Hall or on the City of Marion website: www.cityofmarion.org

Apply to: Building Division – 1225 6th Avenue, Marion, IA 52302
Phone 319-743-6330 Fax 319-373-4260
Website: www.cityofmarion.org Email: ghansen@cityofmarion.org

Residential Building Permit Procedures:

**Single and Two-family Dwellings**

1. Supply application information (owner and contractor names, phone numbers, lot number, address, subdivision) to counter personnel.
2. Submit a detailed site plan including drainage, lot lines, elevations, easements, distances to lot lines, existing buildings, driveway locations and width.
3. Submit 2 complete sets of to-scale construction plans for review (include site plan, foundation plans, home elevations, floor plans with all dimensions, square footage, building and stair cross sections).
4. Plans will be reviewed by the building department and the permit applicant will be notified upon completion. Expected review time for issuance is 3 days if all information is furnished.
5. All permits are to be obtained prior to performing any work.
6. The permit applicant is responsible for calling for the required inspections.
**Multi-family Dwellings** (3 or more dwellings)

1. Supply application information (owner and contractor names, phone numbers, lot number, address, subdivision) to counter personnel.
2. Submit a detailed site plan including drainage, lot lines, elevations, easements, distances to lot lines, existing buildings, driveway locations and width.
3. Submit 3 complete sets of **to-scale construction** plans for review (include site plan, landscaping, foundation plans, elevations, floor plans with all dimensions, square footage, building and stair cross sections). Plans for residential buildings containing more than 12 family units or more than 3 stories in height are to have the signature and seal of a registered architect or engineer licensed to practice in State of Iowa.
4. Plans will be distributed to the various departments for review and the permit applicant will be notified upon completion. Expect 2 to 4 weeks for most project reviews.
5. All permits are to be obtained prior to performing any work.
6. The permit applicant is responsible for calling for the required inspections.
7. Multi-family dwellings 5 units or more shall have the square foot of imperviousness of the entire site listed on the cover sheet. **Contact Engineering for more details.**

**Accessory Buildings for One & two family dwellings** *(i.e. detached garages & sheds)*

1. Complete Steps 1, 2, & 3, as presented in Single & Two-Family Dwellings as listed above. (Complete information on “Residential Detached Building” form located on website or City Hall.)

**Exception:** A building permit is not required for a one-story detached structure used as a storage shed provided the floor area is less than 120 square feet. (Structure must still be located on property per the zoning regulations.)

**Commercial, Office, & Industrial Building Permit Procedures:**

1. Supply application information (owner and contractor names, phone numbers, lot number, address, subdivision) to counter personnel.
2. Submit a detailed site plan including drainage, lot lines, elevations, easements, distances to lot lines, existing buildings, driveway locations and width.

Submit 3 complete sets of to-scale construction plans and 1 **digital** set for review (include site plan, storm water detention with calculations, landscaping, foundation plans, elevations, floor plans with all dimensions, square footage, building and stair cross sections soil reports, structural calculations,). Plans to be Architect/Engineer designed unless exempt by the State of Iowa and exemption form completed.
3. Plans will be distributed to the various departments for review and the permit applicant will be notified upon completion.
4. Non-residential properties, shall have listed the square footage of imperviousness of the entire site on the cover sheet.
DEMOLITION PERMIT

Building Division – Phone 319-743-6330 Fax 319-373-4260 Website: www.cityofmarion.org
Email: abartlett@cityofmarion.org

A demolition permit is required before demolishing or removing a building.
- Obtain and complete form from Building Department counter.
- Permit fees are computed by square footage and number of stories.
- Schedule all inspections with appropriate departments.
- Call Building Dept. for final inspection, once all inspections are completed.

ELECTRICAL PERMIT

Building Division – Phone 319-743-6330 Fax 319-373-4260 Website: www.cityofmarion.org
Email: abartlett@cityofmarion.org

An electrical permit is required to install, alter, replace or remodel any electrical system as established by the City of Marion Electrical Code which includes the 2017 National Electrical Code with some amendments. This ordinance is available at the Building Department counter or the city website: www.cityofmarion.org

- Prior to starting work, complete the “Electrical Permit Application” filling in all required information and calculate the fee.
- Send or submit the application and fees to the Building Department.
- All work is to be performed by State of Iowa licensed electricians.
- Owners of a stand-alone single-family dwelling can install wiring in their own home after purchasing an electrical permit.
- Upon completion of work, applicant is to call for the proper inspections.

PLUMBING PERMIT

Building Division – Phone 319-743-6330 Fax 319-373-4260
Website: www.cityofmarion.org
Email: abartlett@cityofmarion.org

A plumbing permit is required for any plumbing work involving construction, alteration, and relocation of the water drain, waste, or vent systems. A permit is not required for cleaning of stoppages or the stopping of leaks. The City of Marion Plumbing Code consists of the 2018 International Plumbing Code with several amendments. The City of Marion Plumbing Ordinance is available on the city web site or at the Building Dept.

- Prior to starting work, complete the “Plumbing Permit Application” available at the Building Dept. or the city web site. Fill in all required information and calculate the fee.
- Send or submit the application and fees to the Building Department.
- All work is to be performed by State of Iowa licensed plumbers.
- Owners of a standalone single-family dwelling can install plumbing in their own home after purchasing a plumbing permit.
- Upon completion of work, applicant is to call for the proper inspections.
A mechanical permit is required when installing, altering, or replacing a mechanical system. The City of Marion Mechanical Code consists of the 2018 International Mechanical Code with several amendments. The Mechanical Ordinance is available on the city website or at the Building Dept.

✧ Prior to starting work, complete the “Mechanical Permit Application” available at the Building Dept. or the city website. Fill in all required information and calculate the fee.
✧ Send or submit the application and fees to the Building Department.
✧ All work is to be performed by State of Iowa licensed mechanical contractors.
✧ Owners of a standalone single-family dwelling can do mechanical work in their own home after purchasing a mechanical permit.
✧ Upon completion of work, the permit applicant is to call for the proper inspections.

✴ COMMUNITY DEVELOPMENT ✴

PLANNING DIVISION
1225 6TH Avenue, Marion, IA 52302
Phone 319-743-6320  Fax 319-373-4260
Contact: Tom Treharne, Dave Hockett, Kesha Billings, or Nicole Burlage
Email: tbellach@cityofmarion.org

RESPONSIBILITIES
✧ Administer planning and zoning matters, including providing technical assistance to the City Council, Planning and Zoning Commission, Zoning Board of Adjustment and the Historic Preservation commission.
✧ Review subdivision and similar platting matters. Administer street and alley vacations, variances and conditional uses.
✧ Review site plans for compliance with the Zoning Ordinance, such as permitted land uses, building setbacks, landscaping, parking, signs, etc.
✧ Assist in the preparation and administration of grant applications and provide assistance to existing and new business for the purpose of economic development.
ANNEXATION

Apply to: Planning Division – Phone 319-743-6320 FAX 319-373-4260
Email: tbellach@cityofmarion.org

City Council approval is required for voluntary annexation of land within the territory adjoining the City of Marion. For most annexations, approval by the State of Iowa City Development Board is also required.

✧ Property owner of land contiguous to the City limits must submit in writing a request for voluntary annexation.
✧ Application must include a legal description of the property and a map of the property showing its location in relationship to the City.

CONDITIONAL USE REQUEST (Fee: $100)

Apply to: Planning and Development Department – Phone 319-743-6320 FAX 319-373-4260 Email: tbellach@cityofmarion.org

The Zoning Board of Adjustment reviews and approves a conditional use permit. The Marion Zoning Ordinance regulates permitted conditional uses.
✧ Submit the application, including legal description of the property, photographs of the property, site plan, fee, and any other applicable information to the Planning Department.
✧ Public Notice is required through publication in the newspaper, and placement of a notification sign on the property.
✧ The Planning and Zoning Commission will review the application at their regular meeting and make a recommendation to the Zoning Board of Adjustment.
✧ The Zoning Board of Adjustment will review the request and any recommendations and then make a decision regarding the request.
✧ The Zoning Board of Adjustment may impose such conditions, including restrictions and safeguards, upon the property benefited by the conditional use as a considered necessary to prevent of minimize adverse effects upon other property in the vicinity or upon public facilities and services. Such conditions shall be expressly set forth in the approval of the conditional use. Violations of such conditions shall be a violation of the ordinance.

FENCES

Apply to: Planning and Development Department – Phone 319-743-6320 FAX 319-373-4260 Email: tbellach@cityofmarion.org

The height and location of all fences and walls is regulated in the Zoning Ordinance.
✧ In residential and commercial zoning districts fences may not exceed six feet (6’) in height.
✧ In industrial zoning districts, fences may not exceed eight feet (8’) in height.
✧ Special provisions related to the creation of a visual clearance zones apply to corner lots and placement of solid privacy fences. Please verify with the Planning Department before construction.
No permit is required for fences six feet (6') and under.
An encroachment agreement is required for fences built in a drainage easement, please contact the Planning Department for verification of easements
Contact the Planning & Development Department for regulations pertaining to the use of barbed wire.

HOME OCCUPATIONS

Apply to: Planning and Development Department – Phone 319-743-6320
FAX 319-373-4260   Email: tbellach@cityofmarion.org

Home Occupation regulations are designed to protect and maintain the residential character of a neighborhood while permitting certain limited commercial activities.
No person who is not a member of the family and residing on the premises shall be employed in the home occupation activity.
No sign other than a one square foot nameplate is permitted.
All aspects of the home occupation must be conducted entirely within an enclosed building.
The following business or activities are specifically prohibited:
- Motor vehicle and accessory sales or rental, repair, and/or painting, including trailer rental and sales.
- Medical or dental clinic.
- Restaurant.
- Kennel (contact the Planning & Development Department).
- Funeral home.
- Nursery school, but not day care centers with six or fewer children.
- Repair shops or service establishments, except small item repairs such as: appliances, typewriters, and computers.
- Beauty and barber shops are permitted with conditions, please contact the Planning Department for additional regulations.

REZONING REQUEST

Apply to: Planning and Development Department – Phone 319-743-6320
FAX 319-373-4260   Email: tbellach@cityofmarion.org

Fees: $100.00 for 1-2 family
$150.00 for all other except
$200.00 for PUD
$  5.00 Initial Rezoning Signs
$  5.00 Replacement Signs

A rezoning request must be made in writing and submitted to the Planning and Development Department.
Submit a legal description of the property, a map showing the location of the property and written request to the Planning Department for review.
The Planning and Zoning Commission must review the request, hold a public hearing, and make a recommendation to the City Council.
The City Council must review the request, including three readings of the proposed ordinance change and a public hearing, before final action can be taken.
SIGN PERMIT

Apply to: Planning and Development Department – Phone 319-743-6320
FAX 319-373-4260 Email: tbellach@cityofmarion.org

A Sign Permit is required for most new, altered, changed, repaired, or relocated signs.
✧ Please submit a sign permit application, available from the Planning & Development or Building Department, or via the website, a site plan and detailed plans of the proposed sign including overall height and size.
✧ The size, number, and location of the signs are regulated by the Marion Zoning Ordinance.
✧ For electrical wiring, a separate Electrical Permit is required and a Metro-licensed electrician must perform the work.
✧ Building permits are required to verify the structural integrity of all monument signs.

SITE PLAN REVIEW

Apply to: Planning and Development Department – Phone 319-743-6320
FAX 319-373-4260 Email: tbellach@cityofmarion.org

PLEASE REFERENCE THE “SITE DEVELOPMENT PLAN CHECKLIST” FOUND IN THE ENGINEERING SECTION OF THIS BOOKLET.

STREET ADDRESSES

Apply to: Planning and Development Department – Phone 319-743-6320
FAX 319-373-4260 Email: tbellach@cityofmarion.org

Street addresses for new and existing lots are provided through the Planning and Development Department.
✧ No permit is required
✧ Addresses are typically assigned after the Final Plat has been approved by the City Council.
✧ If building is being subdivided into additional units, new addresses must be assigned to new units.

STREET/ALLEY VACATION

Apply to: Planning and Development Department – Phone 319-743-6320
FAX 319-373-4260 Email: tbellach@cityofmarion.org

City Council approval is required in order to vacate public streets and/or alleyways and purchase of those properties if vacation is approved.
✧ Submit “application for request” to vacate public streets and/or alleys.
✧ All requests are reviewed by the staff and all local utility companies.
✧ All abutting property owners to the street or alley to be vacated and all utility companies must agree to the proposed vacation.
✧ The Planning and Zoning commission will review the request and determine
if the street and/or alley is essential to public transportation and utilities and make a recommendation to the City Council.

✧ The City Council will review the recommendation and make a decision on vacation and sale price of the vacated street or alley.

SUBDIVISIONS

Apply to: Planning and Development Department – Phone 319-743-6320  
FAX 319-373-4260  Email: tbellach@cityofmarion.org

The subdivision platting process involves the review and approval by City Departments, utilities, the Planning and Zoning commission and the City Council. (Refer to Subdivision Ordinance, Chapter 175 on city website.)

✧ It is recommended that a “concept plan” be submitted to the Planning Department for review prior to any final plant for general comment from City Departments.

✧ Submit Preliminary Plat to the Planning Department for review by staff and utilities.

✧ Preliminary Plat is reviewed and the Planning and Zoning Commission makes a recommendation to the City Council.

✧ City Council reviews and makes a decision regarding the Preliminary Plat.

✧ Submit a Final Plat to the Planning Department for review by staff and utilities.

✧ Final Plat is reviewed by the City Council. The Planning and Zoning Commission review the plat only if it is not in substantial compliance with the approved preliminary.

✧ Public Improvements must be installed and accepted by the City or Performance Security posted prior to the City Council’s consideration of the Final Plat.

✧ Bound copies, a signed memorandum of agreement, and security documents for completion of the plan of improvements must be submitted no later than noon, the Friday prior to the City Council work session.

TAX INCREMENT FINANCING

Apply to: City Manager’s Office – Phone 319-743-6301  
FAX 319-373-4260  Email: lpluckhahn@cityofmarion.org

The City encourages employment and tax base growth by offering tax increment financing in certain areas of the community. Guidelines governing the use of tax increment financing have been adopted by the City. Contact the City Manager’s Office to verify project eligibility.

URBAN REVITALIZATION DISTRICTS

Apply to: City Manager’s Office – Phone 319-743-6301  
FAX 319-373-4260  Email: lpluckhahn@cityofmarion.org

The City encourages development and redevelopment throughout existing commercial districts. Approved projects are able to utilize a three-year, 100% property tax abatement or a ten-year sliding percent property tax abatement on the costs of the improvements. The tax abatement is only offered in certain areas of the community. Contact the City Manager’s Office to verify project eligibility.
VARIANCE REQUEST/NOTICE OF APPEAL (ZONING)

Apply to: Planning and Development Department – Phone 319-743-6320
          FAX 319-373-4260  Email: tbellach@cityofmarion.org

Fees:  $ 50.00b  Residential
       $ 100.00  Commercial
       $  6.00  Variance Initial sign
       $  6.00  Replacement sign

The Zoning Board of Adjustment hears and decides an appeal where it is
alleged there is an error in any order, requirement, decision or determination
made by the Zoning Official in the enforcement of the Zoning Ordinance. A
variance may be requested to a zoning district requirement such as setbacks
or sign requirements where there are unusual conditions and circumstances,
which cause a hardship when the provisions of the Zoning Ordinance are
strictly applied. The Zoning Board of Adjustment must approve a variance
request. A variance can only be granted if a HARDSHIP exists.

✧ Request for an appeal shall be submitted to the Planning and
  Development Department in order to be placed on the Zoning Board of
  Adjustment agenda.

✧ Submit an application, including a legal description of the property,
  photographs of the property, site plan, fee and any additional information
  applicable to the Planning Department.

✧ Public Notice is required through publication in the newspaper, mailed
  notice sent to adjacent property owners, and placement of a notification
  sign on the property.

✧ The Zoning Board of Adjustment will review the request and any
  recommendations and make a decision regarding the request.

*  ENGINEERING DEPARTMENT  *

1225 6th Avenue, Marion, IA  52302
Phone 319-743-6340 Fax 319-373-4260
Contact: Mike Barkalow or Darin Andresen
          Email: jperschek@cityofmarion.org

RESPONSIBILITIES

✧ Review all construction plans and specifications.
✧ Verify all installations comply with the Statewide Urban Design
  and Specifications (SUDAS).
✧ Approve engineering concerns on building permits.
✧ Engineering field inspectors conduct necessary inspection during
  construction process. (i.e. sanitary sewer service connections, sidewalk
  & driveway inspection, grading inspections)
SANITARY SEWER SERVICE CONNECTION PERMIT ($50.00 Fee)

Apply to: Engineering Department – Phone 319-743-6340 Fax 319-373-4260 Email: jperschek@cityofmarion.org

A sanitary sewer service connection permit is required. Call 743-6340 prior to installation. ($50.00 Fee)
✧ Company or pipe-layer must be bonded and insured to do work in Marion.
✧ Installation must be inspected by an engineering field inspector.
✧ Contractor must call for the inspection.
✧ Erosion control measures must be installed on the lot before any ground is disturbed. The city will not inspect the sanitary sewer service unless the erosion control measures are in place.

STREET OCCUPANCY PERMIT ($40.00 fee) (Cutting into public street)

Apply to: Engineering Department – Phone 319-743-6340 Fax 319-373-4260 Email: jperschek@cityofmarion.org

When cutting into the public street, a Street Occupancy Permit ($40.00 Fee) is required.
✧ Contractor must be bonded and insured to cut into a public street.
✧ Installation must be inspected by an engineering field inspector.
✧ Contractor must call for the inspection.
✧ Permit includes work described below.

Excavation in the Right of Way ($30.00 fee) (Work in public right of way)

Apply to: Engineering Department – Phone 319-743-6340 Fax 319-373-4260 Email: jperschek@cityofmarion.org

Any work in the public Right of Way (excluding work on the public street) requires a $30.00 Excavation in the Right of Way Permit.
✧ Contractor must be bonded and insured to do work.
✧ Installation must be inspected by an engineering field inspector.
✧ Contractor must call for the inspection.

SITE PLAN CHECKLIST
When submitting a Site Plan to the Engineering Department, please use the following checklist to verify that all necessary information is shown.
✧ Project name and date.
✧ Identification: owner’s name, location of property, petitioner’s name, address, and phone number, agent’s phone number if involved in the request.
✧ Submit a detailed site plan including lot lines and dimensions, elevations, easements, distances to lot lines, existing buildings and drives, proposed driveway locations and widths, drainage patterns, erosion controls, sediment controls, concrete washout location, and waste containment.
✧ Any site over 1 acre requires a Major Erosion Control Permit
Application ($100 fee) and includes the authorization number for and Iowa Department of Natural Resources General Permit #2 as well as a Storm water Pollution Prevention Plan (SWPPP).

- If the site is under 1 acre, a Minor Erosion Control Permit Application ($25 fee) must be submitted and include plans as required by the Building Department. For construction activity which is part of a larger common plan of development that is covered under the IDNR General Permit #2 (such as individual housing lots in a residential development) where the ownership changes, a Transfer of Ownership Agreement is required between the Buyer and the Seller.

- Plan is drawn at a scale of 1 inch = 20 feet or larger, and shall be prepared by an engineer, landscape architect, architect, or other similar professional.

- The total lot area and exterior lot dimensions; existing and proposed lot lines and easements, the square footage and percentage of the lot(s) covered by existing and proposed structures(s) and hard surfaced; and area of required yards and open space.

- Existing and proposed utilities including Water, Sanitary Sewer, and Storm Sewer systems.

- Location of FEMA Floodway and Floodplain is applicable.

- Storm water detention location.

- Storm water calculations for required site detention per Iowa Storm water Manual and SUDAS. (Statewide Urban Design and Specifications) post-

- The number of parking spaces required and number provided.

- The existing physical site conditions including contours at maximum 2 foot intervals; water courses and floodplains; unique natural features; and all trees 5 inches or more in diameter measured 4 feet above natural ground line or general wooded areas and proposed finished contours.

- The location and dimensions of all existing and proposed principal and accessory buildings and any other significant structures on the subject property and also showing separation between building and location and dimensions of yards.

- Identity of building types by usage, floor area, number of units within each building, such as number of dwelling units, offices and the like.

- Location and dimensions of vehicular and pedestrian circulation elements including streets; driveways and entrances and exits thereto; off-street parking spaces, loading spaces and access aisles; and sidewalks, walkways and pathways.

- Existing and proposed utility systems including sanitary and storm sewers and water, electric, gas, and telephone lines; surface drainage and any impoundment areas.

- General location and height of proposed fences and plantings and the type of material used.

- Elevations and architectural renderings of structures and improvements sufficient to lay the basic architectural intent of the proposed improvements.

- Each site plan must include the following 2 insets, and data within the insets must be current:
**FINANCE DEPARTMENT**

1225 6th Avenue, Marion, IA 52302
Phone 319-743-6350 Fax 319-377-7892
Email: lcairy@cityofmarion.org
Contact: Lianne Cairy

**RESPONSIBILITIES**

✧ Processes invoices for payment and prepare list for City Council approval.
✧ Receives and deposits daily cash receipts.
✧ Issues permits and licenses (liquor, cigarette, amusement, solicitors, ambulance, cab drivers, auctioneer, and other miscellaneous licenses).
✧ Maintains permanent records of Council minutes, resolutions, and ordinances.
✧ Maintains records of all billings.

**CITY CLERK’S OFFICE**

1225 6th Avenue, Marion, IA 52302
Phone 319-743-6327 Fax 319-377-7892
Email: rbolander@cityofmarion.org
Contact: Rachel Bolander

**BEER & LIQUOR PERMIT**

1. Beer/Liquor License applications are completed online at the State of Iowa Alcoholic Beverages Division (ABD) website.
   https://elicensing.iowaabd.com/

2. Turn in the following documents to the City Clerk’s Office at 1225 6th Avenue, Marion, IA 52302
   a. Notarized Signature Form (can be found on the City Clerk’s page of our website www.cityofmarion.org )
   b. State of Iowa Criminal History Record Check Request Form. (can be found on the City Clerk’s page of our website www.cityofmarion.org )
      Complete the gray shaded area only and sign. One form is needed for EACH owner. The fee for the background check is $17.00 per
person. Please make check payable to the City of Marion.

c. A copy of your lease agreement or proof of ownership.

d. Drawing of your premises showing the size of area, restrooms, cooler area, and outdoor service area, if any.

3. Contact Shawn Fluharty with the Fire Department at 319-377-8086. He will coordinate with the Marion Building Department for a building inspection

4. Contact the Linn County Public Health Department at 319-892-6000 to apply for a health permit and schedule a health inspection

5. Contact your insurance agent and have him/her update or endorse your dram shop insurance on the Iowa ABD website.

6. After all documents have been submitted and background checks and inspections have been completed, your liquor license will be placed on the City Council agenda for approval. Council meetings are held the 1st and 3rd Thursdays of each month. Council packets are mailed the week prior to the meeting, so please have everything ready to go at a minimum of two weeks prior to the council meeting.

7. Once the license has been approved by Council, the City Clerk’s Office will approve it on the Iowa ABD website. The Iowa ABD will review the application and issue the license at the State level. After approval, the State will mail the hard paper copy of your license to the City Clerk’s Office. The City Clerk’s Office will make a copy and mail the original to you.

**CIGARETTE PERMIT** (Annual permit – July 1 to June 30)

1. Complete the APPLICATION FOR IOWA RETAIL CIGARETTE / TOBACCO PERMIT found at the following website: http://www.iowa.gov/tax/forms/cigtob.html

2. After completion, forward the application, either by mail or in person, to Marion City Hall, City Clerk’s Office, 1225 6th Ave, Marion, IA 52302.

3. Include payment as follows:
   - If permit will be issued during the months of July through September - $100.00
   - If permit will be issued during the months of October through December - $75.00

Commercial, Office, & Industrial Building Permit Procedures:

Developers/Builders purchase new meters from the Marion Water Department. The Marion Water Department will set the new meter. Builder must size the water meter and call department to order. Non-stock meters can take up to 4-5 weeks to receive.

Both new and remodeled commercial and industrial buildings need to have a Reduced Pressure Backflow Device (RPZ) installed for each water meter service.

Residential, Commercial, Office, & Industrial Procedures:

Builder must call 743-6310 for installation of water meter as soon as internal water lines are installed and tested. (Building must have permanent heat source operating.)
New buildings with drywall installed, trim and carpet placed etc., are subject to $250 fine if no meter is set and above work is completed.

Temporary construction meters and fire hydrant meter sets are available upon request. Deposit required prior to placement. Call 743-6310 for more information.
