## Monthly Report

February 2014

February was also a busy month with water leaks we had eleven. Worked at 1483 14<sup>th</sup> st to thaw out the water main. We hauled sand to the shop and had rock hauled in by a private contractor. Brian and Dave took care of plants for several days. The shoring trailer was welded up and repainted, cleared snow from the walks, drives and plants. We also spent several day shoveling hydrants out. Went around and checked street leak holes and added cold patch as needed. Went to 925 11<sup>th</sup> st dug up two curb stop boxes and then raised them then went to 1474 10<sup>th</sup> st to vac out another box and shut it off.

In addition we also did the following:
